

## LIFE OF A \_\_\_\_\_+ SEMINARIAN

**Shrove Tuesday** Gathered in fraternal fellowship on the evening of Shrove Tuesday, the seminarians donned Mardi Gras beads, masks and hats to mark the last day before Lent, which is a season of penance. Since breakfast is a favorite meal for many of our seminarians, they were happy to be served breakfast for dinner. As an added treat, the faculty priests cooked pancakes and toppings of every variety were offered. (top row photos)

**Weekend of Recollection** The seminarians spent a Weekend of Recollection from March 2 - 4. Freshmen and sophomores went to Cedarbrake Renewal Center in Belton, Texas, with our own resident spiritual directors, **Fr. Robert Williams** and **Fr. Jesudoss Thomas**, leading their retreat. **Fr. Arthur Unachukwu**, SMU chaplain, led the retreat at Lone Oak Retreat Center in Gainesville, Texas for the juniors and seniors. The pre-theologians spent their weekend at Nazareth Retreat Center in Grand Prairie, where **Fr. Jason Cargo**, pastor of St. Joseph in Richardson, led their retreat. In addition to attending daily Mass, the seminarians were given the opportunity for spiritual reflection and attended talks given by their respective retreat leaders. (middle row photos)

**Soccer Match** Each year, as part of their priesthood vocation awareness program, The Highlands School challenges the seminarians of Holy Trinity to a soccer match. It's fun for both teams, and The Highlands School students get to see that the seminarians are just as normal and competitive as they are. This year's match, held on Wednesday, March 7th, ended in the the Blazers' favor as they defeated the seminarians 7-1. The game was not a total loss since proceeds from refreshments sales, as well as a collection taken up from the fans, were donated to Holy Trinity Seminary. (bottom row photos)

# LENTEN + CORNER

**#40 Reflections** Continue your Lenten journey with the seminarians by following their [Facebook page](#) and their *#40 Reflections*. A new Lenten reflection will be posted each Monday through Saturday during Lent.

**40 Hours Devotion** Seminarians, faculty and special friends of the

seminary gathered in prayer recently for the *Solemn Closing of 40 Hours Devotion*. Following the devotion, which included Eucharistic Adoration and a candle-lit procession, a dinner was held in the seminary dining room. Many of the seminarians sat and visited with their prayer partners, who are members of the Trinitarian Auxiliary, during dinner.

**Living Stations of the Cross** We invite you to join us for *Living Stations of the Cross*, a hallmark of Holy Trinity Seminary's observance of Palm Sunday. This

meditation on our Lord's Passion and death is a beautiful way to begin your Holy Week. Admission is free, and a reception with the seminarians follows.

**HTS** Several members of the Grupos Guadalupeanos, which is composed of Guadalupeana groups throughout the Diocese of Dallas, attended Mass on Sunday, February 18 at the Seminary. The group, a ministry of devotion to the most Blessed Virgin of Guadalupe, donated \$6,000 in proceeds from their annual raffle to Holy Trinity Seminary. A very special **thank you** to Grupos Guadalupeanos for their continued support of the Seminary!

2018 SPES GREGIS SEMINARIAN DINNER

**Friday, October 19, 2018** Plans are underway for this year's *Spes Gregis*

Seminarian Dinner, which will be held on Friday, October 19, 2018 at the Renaissance Dallas Galleria Hotel, formerly known as the InterContinental Hotel. A big *thank you* to committee members **Maureen Dunlap, Megan Martinez, Rosemary Tarangioli** and **Kathi Thompson** for their assistance with planning this year's dinner, which is the seminary's largest fundraising event of the year.

**Construction is Underway!** We are delighted to announce that construction on the Cardinal Farrell Student Center has begun! While others may be annoyed by the "noise" made by cranes and jackhammers working in the background, it's music to our ears! We are fascinated by the progress that has already been made, including the building of a construction access road, setting up an office and a staging area for our contractors, fencing the entire construction area and demolishing the swimming pool. We ask that you keep our architects and contractors, especially those working on-site, in your prayers. While the majority of the funding has been secured for the construction of this project, additional donations are needed to furnish this much-needed student center.
