Please note:

- Items on the registry were carefully selected to reflect the seminarians' wishes for a well-stocked kitchen and are items that can withstand daily use.
- In order to maintain an accurate inventory of items received, we ask that you purchase registry items either 1) online at Crate&Barrel, which will automatically update our online inventory; or 2) in-store at Crate&Barrel and notify the cashier that your purchase is for Housewarming Registry #5946343 and ask he/she to update the registry.
- If you purchase one of the items listed on the registry outside of Crate&Barrel, please notify Sylvia Najera at snajera@holytrinityseminary.org so she can remove that item from the registry to prevent duplication of items.
- Gifts purchased online through the Crate&Barrel registry will be delivered directly to Holy Trinity Seminary.
- Gifts purchased in-store may be hand-delivered to Holy Trinity Seminary at 3131 Vince Hagan St in Irving any Monday - Friday from 9 AM - 4:30 PM.
